Dear ArtPlace Supporter,

We are excited to announce our annual Art & Soul Garden Party will be held the evening of October 25, 2019. This year we will host an evening full of exquisite art, food, and music at the home of Dr. and Mrs. Todd Hall. We invite you to join us for live music, signature dishes from the Delta's award-winning chefs, a bourbon tasting, open bar, art demonstrations, and both live and silent auctions.

Included in this guide, you will find information about the event, ArtPlace, and sponsorship opportunities. Please consider supporting ArtPlace Mississippi by becoming a sponsor of our 2019 Garden Party. The support we receive from the Greenwood community is pivotal in our ability to create access to offer high quality arts programming for everyone in Leflore County.

As always, if you have any questions, please do not hesitate to reach out to a member of our team or the Art Place MS Board of Directors. The Garden Party is sure to be a wonderful night all for a great cause - join us!

Sincerely,

Portia Collins
Executive Director
